

## **What is required to register for COI Association?**

I understand and agree to the Vision, Mission and Objectives of COI as laid out on their Website. As a COI Associate to further the Awakening of the Notzrim (Christians) and to enhance the Reconciliation between the Two Houses, I agree to:

- ✓ Uphold COI's Vision, Mission and Objectives.
- ✓ Uphold a respectful conduct at all times as Associate of COI.
- ✓ You have basically two directions to choose, either associate with COI via the House of Judah, or, via the House of Israel, all depending on your beliefs, passion and ministry.
