

## **What is required to register for a COI Coordinator?**

I understand and agree to the Vision, Mission and Objectives of COI as laid out on their Website. As a COI Coordinator and Representative to further the Awakening of the Notzrim (Christians) and to enhance the Reconciliation between the Two Houses, I agree to:

- ✓ Uphold COI's Vision, Mission and Objectives.
- ✓ Uphold a respectful conduct at all times as Representative of COI.
- ✓ Accept that the COI Coordinator may arrange functions and events to raise awareness and funding / donations. These funds may be applied for the COI Coordinator's expenses to arrange the function and for future awareness campaigns / ministry in his / her area. 90% is therefore for the benefit of the appreciated COI Coordinator's efforts and only the Biblical tithe of the funds generated will be paid over to COI Head Office (after the expenses have been deducted).
- ✓ Agree to donate my personal / my establishment's / ministry's monthly Biblical tithing to COI for the purpose of furthering the COI Vision (if the applicant has no income then he / she can still become a COI Coordinator as we value and appreciate your efforts for expanding GOD's Kingdom).
- ✓ I accept that other Coordinators may also work in my area alongside me.
