

Benefits and Opportunities for a Coordinator's Relationship with COI

Coordinator association with COI provides opportunities for co-operative effort to promote the COI Vision as laid out in the five 2-minute videos presented on the COI Home page of our Web Site. This all, in line with the COI Vision and Mission to restore UNITY between the divided Two Houses of the God of Israel.

Prospective co-coordinators can choose on which platform level (following below) they wish to co-operate: the House of Israel or the House of Judah. Whichever they choose, they will always be expected to be exposed to and learn about the culture of both sides and to work with due respect for both sides and for the promotion and advancement of the overall strategy of COI to bring Peace and Reconciliation between the two opposing sides. In this way only can the Final Redemption and the establishment of the Universal Kingdom of the God of Israel come about.

House of Israel Coordinator Strategy

8 February 2018 Update

The steps here are simplified and tailored for the House of Israel adherents:

1. Create a global campaign to wake beloved Christians to realize they are in fact Notzrim (Ephraim) according to Jer 31:6 and other Scriptures.
2. Make them understand they are NOT merely friends of Israel but actually FAMILY, thus creating an unstoppable love for their brother Judah and the longing to take up their Divine Inheritance to return to the Promised Land.
3. Encourage them to visit our COI Website (online educational library serving 'both sides' are planned) and start reading educational concerning the Two Divided Houses of Israel and the Divine Purpose of Reconciliation in the Bible. This will help them to fully understand the prophetic events that are busy unfolding and awaiting to unfold and how they fit into the true Divine Purpose for mankind.
4. Assist in getting important and effective brochures translated into every possible language around the world.
5. Mass distribute the GIFT PACK (2 books, video and various brochures) globally via their own e-mail databases, Facebook, Instagram promotions, blogs and whatever means are available to them. Advance promotion of the COI Vision through our various publications to their Assemblies,

Congregations, home meetings, special functions and their social media platforms.

6. Encourage all Notzrim to register on the Yosef is Alive List which will be presented by COI leadership to the Rabbinite and Israeli Government in promotions attempting to open the Gates for the House of Israel to Return to the Land.
7. Assist in promoting attendance of the next COI International Conference at Shavuot (Pentecost) in Jerusalem in 2019 – to plan now for it and register. We will start a COI Facebook Administrators and Coordinators closed Forum to discuss ideas, events and to befriend one another.
8. Use their local contact sources for facilitating the posting in their countries' newspapers of COI articles from other newspapers to create further awareness.
9. Any strategy / idea which Coordinators are willing to put on the table is welcome; we are open to listen to any idea or suggestion.
