

# **Benefits and Opportunities for a Coordinator's Relationship with COI**

Coordinator association with COI provides opportunities for co-operative effort to promote the COI Vision as laid out in the five 2-minute videos presented on the COI Home page of our Web Site. This all, in line with the COI Vision and Mission to restore UNITY between the divided Two Houses of the God of Israel.

Prospective co-coordinators can choose on which platform level (following below) they wish to co-operate: the House of Israel or the House of Judah. Whichever they choose, they will always be expected to be exposed to and learn about the culture of both sides and to work with due respect for both sides and for the promotion and advancement of the overall strategy of COI to bring Peace and Reconciliation between the two opposing sides. In this way only can the Final Redemption and the establishment of the Universal Kingdom of the God of Israel come about.

## **House of Judah Coordinator Strategy**

**8 February 2018 Update**

The steps here are simplified and tailored for the House of Judah adherents:

1. Create a global campaign to wake 'fellow Jews' to realize that 'Yoseph is Alive' as is evident from the Global interest of non-Jews in Torah and the turn of the nations (especially after the President Trump recognition of Jerusalem) towards pro-Israelism.
2. Make them understand that Christians can no longer be regarded simply as anti-Semites and to befriend those who reflect pro-Israelism and pro-Torahism. Also, not to merely regard them as friends of Israel but actually as FAMILY, co-citizens of the Lost House of Israel which Jewish Sages and our Prophets foretold would return at the dawning of the Messianic Era, Thus creating a sincere respect, acceptance and love for their long lost brother Yoseph and to invite them and facilitate their Return to the Promised Land.
3. Encourage fellow 'Jews' to visit the Kol Hator Web Site and to start reading Chazal and Jewish Sources (notably the writings of the Gaon of Vilna) concerning the Two Divided Houses of Israel and the main theme of Prophecy of the Divine Purpose of Redemption. This will help them to fully understand the prophetic events that are busy unfolding and waiting to unfold and how 'both' Houses of Israel fit into the true Divine Purpose for mankind.

4. Assist in getting important and effective brochures translated into every possible language around the world.
5. Advance promotion of the KJHT / COI Vision through our various publications to their Congregations, communities, yeshivas and their social media platforms.
6. Assist in promoting attendance of the next COI International Conference at Shavuot in Jerusalem in 2019 – to plan now for it and register. We will start a COI Facebook Administrators and Coordinators closed Forum to discuss ideas, events and to befriend one another.
7. Use their local contact sources for facilitating the posting in their local Jewish newspapers and newsletters of articles from other newspapers to create further awareness.
8. Any strategy / idea which Coordinators are willing to put on the table is welcome; we are open to listen to any idea or suggestion.
